creamy milk

LATTE
espresso +
creamy milk

AMERICANO
espresso + hot water

LONG BLACK
hot water + espresso
more intense than an americano

All of our coffee beans are
single origin from Colombia, no blends.

We select different types of beans from
different farms in different regions of Colombia.

One farm equals one coffee.

Andrés roasts our beans in Paris every two weeks
to insure fresh beans at all times and puts all of
his love in every cup of coffee he makes for you !
